The photographs show Vice President Cheney in his office on the morning of the terrorist attacks; United States Secret Service evacuating Vice President Cheney from his office; Vice President Cheney and White House advisors meeting in the President's Emergency Operations Center (PEOC); and his departure for Camp David in the evening.

Individuals depicted in these photographs include: President George W. Bush; Mrs. Lynne Cheney; Secretary of State Colin Powell; National Security Advisor Condoleezza Rice; Secretary of Transportation Norman Mineta; Mary Matalin; Karen Hughes; Chief of Staff for the Vice President I. Lewis (Scooter) Libby; Director of the Central Intelligence Agency George Tenet; Deputy National Security Advisor Stephen Hadley, and Counsel to the Vice President David Addington.

These photographs were taken by David Bohrer.

## **System of Arrangement**

Records responsive to this FOIA request were found in the Vice Presidential images collection from the White House Photo Office. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President George W. Bush.

The White House Photo Office assigned each image a unique number based on its roll and frame numbers. Identifying numbers for the Vice Presidential photographs begin with "V" in order to distinguish them from the Presidential photographs taken by White House photographers.

Images are reviewed and released at the item level in contrast with textual records which are reviewed at the folder level.

The responsive photographs retrieved from EOP ERA are saved in search results lists (SRLs) within the system. The following SRL was processed:
