Scope and Content

The materials in FOIA 2015-0019-F are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA.

The photographs processed for this request depict the following events: Vice President Gore with Senator Lieberman, family and staff on the day before the presidential election; Election Day; the days of the Florida election recount; and Vice President Gore's televised concession speech on December 13, 2000. Approximately half of the images processed in response to this FOIA request are closed as personal records as defined by 44 U.S.C. 2201(3).

Photographs taken on November 6, 2000 into the early hours of November 7, 2000 depict Vice President Gore with his wife Mary Elizabeth ("Tipper") Gore at political rallies and airport arrival ceremonies, speaking to crowds and greeting supporters in the following locations: Waterloo, Iowa; Flint, Michigan, Tampa and Miami, Florida; and St. Louis, Missouri. In Waterloo, Iowa, Vice President and Mrs. Gore spoke to the press and greeted workers as they arrived at a John Deere manufacturing facility. In Flint, Michigan, they greeted supporters at a political rally held at the Local 659 Union Hall. In addition, Vice President Gore and entertainer Kenneth "Babyface" Edmonds spoke to supporters at the New Jerusalem Gospel Church. While in Florida, Vice President and Mrs. Gore attended an outdoor rally in South Beach, Vice President Gore spoke with nurses at a cancer center, and held a political rally with Senator Lieberman in Tampa.

The photographs taken on Election Day, November 7, 2000, show Vice President Gore and his family at an airport arrival ceremony in Nashville, Tennessee and arriving at the Forks River Elementary School in Carthage, Tennessee to cast their ballots. While at the Forks River Elementary School, Vice President Gore gave a statement to the press and students gathered in the school gymnasium. Photographs from this date also depict events related to the gathering of Gore supporters at the War Memorial Plaza in Nashville, Tennessee which include: production staff preparations, entertainers performing on stage, chairman of Gore's presidential campaign William M. ("Bill") Daley speaking to the crowd, and crowd reaction to the election results. There are also photographs taken at the Loews Vanderbilt Hotel in Nashville, Tennessee where the Gore/Lieberman campaign staff and the media covering the Gore campaign were stationed. The images include White House Communications Agency (WHCA) staff preparing a conference room for press statements, the press holding room, and Vice President Gore making a statement.

The photographs taken in the days following the election show Vice President Gore, Senator Lieberman, Bill Daley and former Secretary of State Christopher Warren giving statements to the press in a variety of locations which include the White House, the Vice President's residence at the United States Naval Observatory, and The Hay-Adams hotel. There are also images of the Gore family with Senator and Hadassah Lieberman at various Washington, DC restaurants; Vice President Gore in meetings with staff at the White House and on an open press phone call to Senator Tom Daschle and Congressman Dick Gephardt with Senator Lieberman; Gore interviews with Leslie Stahl of "60 Minutes," journalist Trudy Feldman, Adam Clymer of the *New York Times*, John King of CNN and Claire Shipman of NBC; and the Gore family volunteering at the Second Harvest Food Bank in Anacostia, Maryland. Other images include shots of the press, and protestors and supporters gathered outside of the United States Naval

Observatory and outside the United States Supreme Court on the day arguments were heard in *Bush v. Gore*.

The photographs taken on December 13, 2000 depict staff setting up the room for Vice President Gore's televised concession speech, the Gore and Lieberman families, Vice President Gore officially conceding the election, and staff gathered inside and outside of the White House to greet Vice President Gore as he departs following the speech.

Non-election related photographs include images of staff holiday parties, Tipper Gore participating in the National Christmas Tree Topping Ceremony, and the Vice President's residence stewards working.

White House staff members pictured include: Charles Burson, Jim Kennedy, Paul Cusack, Nancy McFadden, David Beier, Wendy New, George Frampton, Morley Winograd, Lorraine Miller, Steve Richetti, Brian Reich and Lindsay Drewel. Other individuals depicted include: Congressman Dick Gephardt, Reverend Jesse Jackson, Transportation Secretary Rodney Slater, Treasury Secretary Lawrence Summers, Education Secretary Richard Riley, Governor Jeb Bush of Florida, United States Olympic Women's Baseball Team captain Kathleen McGlynn, Bon Jovi, Cher, Stevie Wonder, and Star Jones.

These photographs were taken by White House photographers Samantha Appleton, Molly Bingham, and Callie Shell.

System of Arrangement

Records responsive to this FOIA request were found in the Vice Presidential records of the White House Photograph Office.

The White House Photograph Office assigned each roll of 35 mm film a unique roll number. The roll numbers for the Vice Presidential photographs begin with "V" in order to distinguish them from the Presidential photographs taken by White House photographers during the administration. The office created a contact sheet for each roll of film and organized them in binders by film type (color or black and white) and roll number. The contact sheets responsive to this request are arranged by binder book number, and thereunder, by roll number. The Photograph Office left gaps in the roll numbers for unexplained reasons.

Archival processing of photographs is done at the contact sheet level.

The following is a list of photograph contact sheets processed in response to FOIA 2015-0019-F:
