### **Scope and Content**

This body of records consists of photographs of Vice President Cheney's visit to Williamsburg, Virginia on May 4, 2007 to attend events in celebration of the 400th anniversary of the founding of Jamestown, America's first English settlement. The occasion also marked Queen Elizabeth's first state visit to the United States since 1991. The records include photographs from several events held in commemoration of Jamestown Settlement and document Vice President Cheney's arrival and welcome ceremony; tour of Jamestown Settlement including the Archaearium and archeological site; luncheon held in honor of Queen Elizabeth; and visit to Jamestown Memorial Church. There are also photographs of Vice President Cheney and Mrs. Cheney's visit to the Governor's Palace which document their arrival, Governor's reception, and tour of the palace.

Mrs. Lynne Cheney, Chief of Staff David Addington, Queen Elizabeth II, Prince Philip, Jamestown-Yorktown Foundation Executive Director Phil Emerson, Jamestown Curator Beverly Straube, and Governor of Virginia Timothy Kaine are depicted throughout the photographs.

These photographs were taken by David Bohrer.

### **System of Arrangement**

Records were found in the Vice Presidential images collection from the White House Photo Office. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President George W. Bush.

The White House Photo Office assigned each image a unique number based on its roll and frame numbers. Identifying numbers for the Vice Presidential photographs begin with "V" in order to distinguish them from the Presidential photographs taken by White House photographers.

Images are reviewed and released at the item level in contrast with textual records which are reviewed at the folder level.

The responsive images retrieved from EOP ERA are saved in search results lists (SRLs) within the system. The following SRL was processed:
