Flynn which mention Antony (Tony) Blinken between September 9, 2015 and April 13, 2016. Materials include briefing books and one internal transcript of remarks.

System of Arrangement

Records responsive to this FOIA request were found in the Biden Vice Presidential Electronic Records collection which includes email messages and electronic files. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama. These electronic records are born-digital files and are primarily .eml, .pdf, .wpd, and .doc files.

The responsive electronic records retrieved from EOP ERA are saved in search results lists (SRLs) and are arranged chronologically by creation date.
