## **Scope and Content**

The materials in this series are a selective, not necessarily all inclusive, body of records responsive to the topic of FOIA case 2023-0042-F.

This series consists of Vice President Joe Biden's daily schedules dated June 5, 2011, through September 30, 2011, which include his personal aide, Fran Person. These schedules document Vice President Biden's activities at the White House, the Naval Observatory and on foreign and domestic trips. This series also includes email communications between Vice President Biden and Francis Person from June 2011 through December 2011 and includes the Vice President's daily schedules, call reminders, travel information, news articles, media appearances by Dr. Jill Biden and speech drafts and transcripts for the Vice President's remarks at various events.

## **System of Arrangement**

Records responsive to this FOIA request were found in the Biden Vice Presidential Electronic Records collection which includes email messages and electronic files. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama. These electronic records are born-digital files and are primarily .eml, .pdf, .wpd, and .doc files.

The responsive electronic records retrieved from EOP ERA are saved in search results lists (SRLs) and are arranged chronologically by creation date.

The following is a list of the SRLs saved and processed in response to FOIA 2023-0042-F [6]:
