

TV Satellite File No. 142, 1986

Musician: Yeah, let's get those hands going! Everybody! I don't see your hands going Bob.

[Singing] I said happy days are here again.

Man: This is the center of the theater in the United States. It's also the center for movies in our own city and we think it's the kind of place you should be able to go to 24 hours a day and enjoy yourself. We think it should be a center of tourism, a center of excitement. It should be a little bit naughty, not as naughty as [...]
