Subject: President's Address

I am sending this to both your blackberry and iPad. On your iPad, you should be able to click on the link below and watch the video...we'll see. It is the video of the President's address tonight.

Fran -- can you please email this link to the VP? It's video of POTUS' speech tonight. I don't have VP's new email address. I know he may not actually link to it, but I want to make sure he has it. If he's on his iPad, he should be able to watch it. Just tell him I asked you to send it to him. Here is the link: <http://www.c-span.org/Watch/Media/2010/06/15/HP/R/34228/Pres+Obama+We+will+fight+this+spill+with+everything+weve+got+for+as+long+it+takes.aspx>.

Thanks!
