SCRIPT

Ladies & Gentlemen, Major League Baseball is proud to dedicate tonight's World Series game to the men and women of the military and their families.

Joining us on field for the National Anthem are some very special guests as we support two inspiring programs…Welcome Back Veterans and Joining Forces.

Cardinals fan James Sperry joined the Marines at the age of 18. One year later, Lance Corporal Sperry was on the front line during Operation Phantom Fury, the largest battle in the Iraq War. During battle he was hit by a rocket-propelled grenade and sustained severe head and chest wounds.

Back home, despite James' disabilities, he was a first responder to the rescue and recovery efforts in Joplin, Missouri just hours after the tornado hit. James now is a mentor for other wounded warriors to help other veterans get re-adjusted to civilian life.

Joining James is his 5-year-old daughter, Hannah, and two American women whose dedication to our military and their families have provided strength and support to those who defend our freedom. Please welcome the Second Lady of the United States, ***Dr. Jill Biden*** *and the First Lady of the United States …* ***Michelle Obama****, as we honor Lance Corporal Sperry and all the men and women who serve our nation so bravely, and their families.*

(large US flag in outfield opens)
