Paul - Just got a call from Bill. They found an error in the finding aid that would result in dropping total count by 1 to 1,260. There was a data entry error - he gave me the specific info. He said Jason L is doing a detailed review of the Bates-stamped versions, and he won't be finished until Thursday. He suggested we hold off sending the letter we have in draft until end of the week once it's be re-confirmed.

Sounds good. Thanks for letting me know. I will hold off.

Thanks, Paul
