	<p>Such Indemnity Bonds (Form CCC-316) and related correspondence as are necessary to determine whether a substitute draft has been issued as replacement for the original draft.</p> <p>Disposition not authorized at this time. Currently, the provisions of 31 USC 132 effectively prohibit the destruction of the records described above. Although these records do not have enduring historical value, a finite retention period cannot be established until the law has been changed. Since all recent efforts to modify the law have failed, ASCS anticipates a substantial delay in scheduling these records for final disposition. This item will be resubmitted to NARS for approval when 31 USC 132 is amended. <i>Transfer to FARL is not authorized.
