REPORTS (Table 161-5)
(Applicable Air Force-wide)**

Air Force proposes addition of two rules to Table 161-5 relating to material safety. Material Safety Data Sheets (MSDSs) are obtained on all hazardous materials procured by DOD agencies. MSDSs, required as part of the procurement contract, are also included in the procurement contract case files. Base Transportation and Packaging Sections obtain that portion of MSDSs that only relates to transporting materials.
