

ACTIVE ITEMS. These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

This schedule applies to files maintained under the pre-Universal Case File Number system. In 2000 the FBI and NARA agreed that case files deemed permanent would be transferred 25 years after case closed. Supporting documentation is found in the NC1-065-82-04 dossier.

INACTIVE ITEMS. These items may no longer be used to disposition records. They are superseded, obsolete, filing instructions, describe non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items may be annotated on the schedule.
