

NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: NC1-383-85-01

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 1/10/2022

ACTIVE ITEMS

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

All items not listed below remain active. Many records detailed in these items were retired to WNRC in 1977 and 1985, but permanently withdrawn by the agency in 1997 and 1998.

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

Items 6, 37, 45-46, 65-70, 74, 117, 119-120, 122, and 128-131 were destroyed at WNRC in February and April 1987, per NARS-5 History.

Items 26, 27, 29, 30, 53, 54, 72, 111, 112, 114, and 135-139 are presumed to have been destroyed at the agency.

Items 5, 19, 32-34, 50, 55, 60-64, 76-80, 86, 145-147, and 150 were accessioned by NARA in 1996, 2000, 2001, and 2002.

10. ACTION TAKEN (NARS USE ONLY)

Listed below are unscheduled records of the United States Arms Control and Disarmament Agency (ACDA) presently stored in the Washington National Records Center (WNRC) and in both ACDA and State Department space.

Records are listed according to ACDA organization component beginning with the Office of the Director, followed by the Deputy Director, Special Assistants, General Advisory Committee, other Advisors, Secretariat/Administration, and other ACDA components. A general functional statement for each is included.

Records stored at WNRC are identified herein by both accession and lot number; those in ACDA/State space only by RSC Lot Number appearing on the DS Form 693, entitled, "Transfer of Records." Volume and dates of coverage are included.

Disposition instructions call for the transfer of the entire accession to the National Archives or by entire conference, e. g. SALT I, II, ENDC.

Disposition instructions in the General Records Schedules where applicable, have been applied to records herein.

Since a majority of records proposed for permanent retention are national security classified they are scheduled for transfer to the National Archives when 30 years old or when declassified, whichever is sooner. Unclassified permanent record items are to be offered for transfer to the National Archives as specified in this schedule.
