

**ACTIVE ITEMS.** These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

**INACTIVE ITEMS. These items may no longer be used to disposition records.**

They are superseded or obsolete. References to more recent schedules are provided below as a courtesy. Some items may be annotated on the schedule.

**NA ITEMS. These items have no applicable status (active or inactive). These items cannot be used for disposition.**

For example, not applicable items were filing instructions, describe non-records, pointed to another disposition authority, listed as "reserved", were lined off and not approved at the time of scheduling or had an instruction of "disposition not approved".

**(P) Permanent - item with permanent disposition**

**(T) Temporary - item with temporary disposition**
