System Name: eDOCS – Electronic Editing and Publishing System
Program: Office of the Federal Register
Legal Authority: 1 CFR sec 51 et seq.
Applicability: Office of the Federal Register (NF)
Restrictions: None. Maximum is sensitive-but-unclassified.
Purpose: To facilitate electronic submission of documents by Federal agencies and the Office of the President submitted for publication in the Federal Register, and to provide a means of processing the documents to make them publishable in both electronic and in printed form.

Item No.	Description of Records	Disposition	Superseded Item
1.	AGENCY SUBMISSIONS		
	a. Electronic Submissions: Records received from a Federal agency and used as input/source records for producing Federal Register documents. Includes records on disk or other storage media or transmitted on the internet or by e-mail. Documents include those signed electronically by the authorized agency official using PKI. b. Original signed paper submissions (either a duplication of an electronic submission or a paper-only submission) (1) Documents from Federal agencies.	Delete when data have been entered into eDOCS and verified, or when no longer needed to support reconstruction of, or serve as backup to the database, whichever is later.	
	A. Rules	Cut off annually. Destroy when 5 years old.	N1-64-01-1: item 1 (file no. 1505-3a)
	B Proposed Rules and Notices	Cut off annually. Destroy when 2 years old.	N1-64-02-4: 1505-3b, N1-64-87-1: 1505-3c

2. ELECTRONIC DOCUMENTS

a. Copies of published or withdrawn documents in various stages of edit, formatting, pagination and coding for publication by GPO. Cut off at end of calendar year. Delete when 5 years old. Versions include the original electronic document as received or transcribed, the public inspection copy, and the retained copy of the final document formatted and coded for publication by GPO.

b. Metadata: Data tracking the documents in various stages of edit and processing (e.g. coding, pagination) Cut off at end of calendar year Delete when 5 years old.

3. OUTPUTS

a. Outgoing final documents coded for publication by GPO.	Transmit final document to GPO. An electronic copy is retained in item 2a above.
b. Management and operational reports for workload measurement and analysis, general or specific document tracking, and other operational purposes.	Cut off at end of year Destroy or delete when 2 years old or when no longer needed for administrative use, whichever is sooner.

SF 115

4. SYSTEM DOCUMENTATION

System design manual, user manual, system development documents, or equivalent documentation.

Maintain for life of system and destroy or delete when no longer needed for operational purposes, whichever is later.

5. BACKUPS

Security backups for eDOCS, both incremental and full, created and maintained to restore the system in the event of a system failure or other unintentional loss of data.

a. Incremental Backups: Daily backups (usually after the close of business) of system transactions made on that day only.

Destroy at the end of each week after full backup is made and verified.

b. Full Backups: Full system backup (usually taken once a week after the close of the business week) which becomes a copy of the system for that point in time.

Destroy at the end of each week after full backup is made and verified.
