	<p>They are therefore identified as a single records series across all the missions. These two series are followed by an alphabetical listing of the missions in which the records were accumulated along with the WNRC accession and box number.</p> <p>The subject files recommended for disposal in this request (Item #1) are the decentralized subject files for those missions which maintained centralized subject files. The centralized subject files for all missions are being recommended for permanent retention under a separate request. The decentralized subject files for those missions which did not maintain centralized subject files are also being recommended for permanent retention under a separate request.</p>
