	<p>Attached is a combined filing instruction (FmHA Instruction 152.1, "Management of State Office Records") and records disposition schedule for records maintained in 42 State Offices of the Farmers Home Administration (FmHA). This schedule is shown as Exhibit A to the filing instruction and supersedes all previously approved records schedules of FmHA and its predecessor agencies.</p> <p>This Agency makes a variety of direct, insured, or guaranteed loans and grants to individuals, associations, partnerships, corporations, and public bodies in rural areas. In addition to the 42 State Offices mentioned above, it has 1750 county offices, a Finance Office in St. Louis, Missouri, and a National Office in Washington, D. C.</p> <p>State Offices provide overall direction of FmHA program operations at the State level. Records maintained at this level, other than the official personnel files, are mainly reference files needed for daily activity.</p> <p>The retention period shown for each file code meets the administrative, legal, and financial needs of the primary users. None of the State Office records are considered permanent.</p> <p>A copy of this combined filing instruction and records disposition schedule is being submitted to the General Accounting Office for its concurrence.</p>
