7	<p>The attached decision logic table (DLT) describes AF records which have recently been identified. These records are not in the Air Force Records Disposition Schedule (RDS). These records are best identified with the AF Table 36-12, PERSONNEL – INDIVIDUAL MILITARY PERSONNEL RECORDS.</p> <p>These records are currently unscheduled and are generated in paper from AF retirees applying for combat related special compensation. Combat-Related Special Compensation (CRSC) for certain disabled Uniformed Service Retirees has been codified in law at section 1413a, title 10, United States Code. The law was enacted December 2, 2002, by Section 636 of the National Defense Authorization Act for Fiscal Year 2003 (Public Law 107-314, December 2, 2002). CRSC provides compensation to certain retirees with combat-related disabilities that qualify under the criteria set forth in the law. Once the AF has processed the request and arrived at a final decision the Air Force Personnel Center (AFPC) is digitizing the paper based case files into a PDF format.</p> <p>In addition to the CRSC case files, AFPC has established a database (CRSC Tracking Database) which they use to track each CRSC request from the date received to the date of final action.</p>
