**LEGAL ADMINISTRATION RECORDS
(Table 110-1) (Applicable to the Military Air Command)**

The purpose of this submission is to establish disposal authority for public dockets for Civil Aeronautics Board (CAB) international cases. These cases consist of correspondence between elements of the Department of Defense and public and private parties in CAB international cases. The Military Air Command serves as executive agent for the Department of Defense in performing this function and as the single repository for records. Our proposed disposition criteria parallels standards approved for similar records maintained by CAB.
