SUMMARY

The Department of the Army, Information Systems Command, requests disposition authority for Corps of Engineers Mapping Contract Specifications Files MARKS FN 115-11s (TAFFS 516-07), documents which define and control work to be done by contractors in the production of military maps. These records are closely related to a number of other series of basic mapping program record series which have been recommended for permanent retention: see N1-AU-28; 29; 31; 37; 45; 48; and 49.

I recommend that we approve the schedule.

RECOMMENDATION

1. APPROVED FOR DISPOSAL The records described under all items of the schedule, except those that may be listed in blocks 2, 3, and 4 of this section, are disposable because they do not, or will not after the lapse of the period specified, have sufficient administrative, legal, research, or other value to warrant their continued preservation by the Government
-
2. APPROVED FOR PERMANENT RETENTION The records described under the following item or items have been appraised by the National Archives and Records Administration (NARA) and are determined to have sufficient historical or other value to warrant their continued preservation by the United States Government. The agency will offer these records to the National Archives as specified
- Item 1 - FN 115-11s*
-
3. DISPOSITION NOT APPROVED The records described under the following item or items are not approved for disposition
-
4. WITHDRAWN The records described under the following item or items have been withdrawn at the request of the agency and/or NARA
