SECTION III - APPRAISER'S COMMENTS

At NC's request, Army has agreed to modify the approved disposal authority for its Correction of Military Records Case Files, FN 708-19. Under the new authority, once the files' administrative value has ceased, they will be transferred from WNRC to NPRC where they will be evaluated for their usefulness in the reconstruction of military personnel records destroyed in the 1973 fire. These files of value will be added to the NPRC auxiliary records collection; all others will be destroyed.

NNM's concurrence is not required.
