

NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N1-385-92-001

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 6/27/2024

ACTIVE ITEMS

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

Item 1, W385-86-0001

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

All permanent records were accessioned by NARA through the Federal Records Center Program including item 2, W385-88-0011. The Federal Records Center destroyed most of the other temporary records. The agency withdrew some temporary records from the FRCP and presumably destroyed them.

**Department of the Navy
Naval Facilities Engineering Command
Record Group 385**

Described below are all remaining unscheduled records assigned to RG 385 at the Washington National Records Center. Often intermingled with the permanent records are disposable materials which cannot easily be removed until the records are transferred to the National Archives where they can be screened during archival processing. The National Archives may remove and destroy any of the following types of materials found interspersed with the records covered by item 1:

1. Records authorized for destruction by SF 115s approved for Department of Navy records;
2. Records authorized for destruction by the General Records Schedules, and;
3. Nonrecord, including duplicate materials.

Office of Legal Counsel

1. Environmental Impact Statements, 1976-87. 19 cubic feet. Unarranged.

Loose leaf binders containing environmental impact statements and background information collected on environmental issues pertaining to Naval construction projects.

4. Legislative Action Files, 1969-70. 4 cubic feet. Arranged by House of Representatives or Senate Bill number.

Copies of bills, correspondence, notes, House Joint Resolutions, Concurrent Resolutions, and Public Laws collected by the Assistant Counsel for Legislation, NAVFAC during sessions of the 91st Congress, 1969-1970. The Office of General Counsel (OGC), Department of the Navy routinely tracks legislation pertaining to Naval issues in the Congress. Because the Navy is such a large entity, many of the issues before Congress have some impact on the Department of the Navy. There is a large collection of copies of correspondence between the OGC and members of the House Armed Services Committee concerning legislation favorable to the Department of the Navy, or abhorrent to the Department of the Navy.
