## General Information

Agency or Establishment	Department of Health and Human Services
Record/Scheduling Group	0468 - General Records of the Department of Health and Human Services
Records Schedule Applies To	Agency Subdivision
Major Subdivision	Office of the Secretary (OS)
Minor Subdivision	Office of the Inspector General (OIG)
Schedule Subject	Records of the Office of Audit Services (OAS) of the Inspector General (IG) of Health and Human Services
Additional Schedule Information	The Office of Audit Services (OAS) examines the performance of HHS programs and HHS grantees and contractors in implementing their responsibilities and provides independent assessments of HHS programs and operations. The recommendations that OIG makes as a result of these assessments help reduce waste, abuse, and mismanagement and promote economy and efficiency throughout HHS. For example, if a hospital has received more Federal money than it was owed, our audit would determine the amount to be paid back to the Federal Government. OAS conducts audits using its own resources and oversees audit work done by others. It conducts its work in accordance with Government Auditing Standards issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; applicable Office of Management and Budget circulars; and other legal, regulatory, and administrative requirements.
