## RECORDS DISPOSITION SCHEDULE 11

#### HOUSING GRANT RECORDS

A. Active Programs: This schedule provides disposition instructions for Headquarters and Field records relating to the following active Housing grant programs:

Congregate Housing Services: On a competitive basis, HUD makes direct 5-year renewable grants to eligible applicants for a meals program, 7 days a week, and other supportive services needed by eligible residents to prevent premature and unnecessary institutionalization.

**Drug Elimination Grants:** HUD awards grants to Federally assisted low income housing projects for activities designed to eliminate drug-related crime.

HOPE 2 Homeownership of Multifamily Units: HUD awards grants on a competitive basis to assist eligible applicants in developing and carrying out homeownership programs for low-income families and individuals through the use of multifamily rental properties.

Housing Counseling Services: HUD awards housing counseling grants on a competitive basis to its approved agencies when the Congress appropriates funds for this purpose. The objective of the counseling is to help homebuyers, homeowners, and tenants to improve their housing conditions and meet their responsibilities.

Special Purpose Grants: In the HUD Appropriations Acts for Fiscal Years 1991, 1992, 1993, and 1995, Congress funded Special Purpose grants which were not under any normal HUD program authorization, but were designated by Congress for a specific purpose and for a specific State or local jurisdiction.

**B.** Inactive Programs: This schedule also covers records generated as a result of the following earlier Housing grant programs which are now defunct:

Flexible Subsidy Grants: Before 1990, HUD provided assistance in the form of grants to privately owned, federally assisted multifamily housing projects to help restore or maintain their financial and physical soundness, improve their management, and maintain them for low- and moderate-income people.

In 1990, the program was converted to a loan program. This schedule covers the grant records created before 1990. Flexible Subsidy Records from 1990 to present which are related to the Flexible Subsidy Loan program will be covered by item 13 of HUD Records Disposition Schedule 10, "Records Relating to Multifamily Insured Programs."

Housing Development Grants: On a competitive basis, HUD awarded funds to units of local government to finance the substantial rehabilitation or new construction of rental housing, cooperatives, and mutuals. The program was intended to increase the availability of rental housing in areas of severe shortage.

The program legislation expired on September 30, 1989, but project owners are still bound by covenants to keep the assisted units available for occupancy by lower-income tenants for 20 or 30 years and not to convert the units to condominiums during this period.

Nehemiah Housing Opportunity Grants: Program provided funding for down payment assistance to homebuyers of moderate income by grants to private, nonprofit organizations. Funding was provided from FY 89 through FY 91.
