1. Immediate destruction/deletion (as indicated) of individual documents and/or portions thereof maintained at Federal Bureau of Investigation (FBI) Headquarters and corresponding and/or related records maintained at field offices which have been subject to disclosure under provisions of the Privacy Act of 1974. Amendments to record items of this nature were previously authorized and governed by FPMR Bulletin B-74, which was withdrawn from FBI implementation. Continued maintenance of the material would conflict with agency retention requirements as set forth in the Privacy Act. Since no main subject files appear in this grouping, only an abbreviated description of activity is provided for guidance.
