	BOND MANAGEMENT INFORMATION SYSTEM (BMIS) The Bond Management Information System (BMIS) is a centralized mainframe database used by the Immigration and Naturalizations Service's (INS) regional office in Burlington, Vermont, to maintain records on immigration bonds. It automates and centralizes bond activities by maintaining and reporting data on all immigration bonds. It allows users to collect, track and update on-line immigration bond data throughout the life cycle of bonds from posting to cancellation. The system is also used by the Headquarters' Finance Office to do production research and produce adhoc reports for the General Counsel and Management. BMIS contains data which identifies individuals who have posted a bond with INS and the beneficiaries of posted bonds e g , 1. Bond number 2. Obligor's (person posting bond) name and address 3. Alien beneficiary's name and alien file number 4. Type of bond 5. Location and date bond was posted This data is extracted and updated from various INS forms used in the issuance, cancellation and/or the breach of an immigration bond. These forms are as follows I-352 - "Immigration Bond" Used whenever a bond is required in an alien's case
