Disposal Job No. 345-366

- N Records that do not appear to have sufficient administrative, legal, research, or other value to warrant their continued preservation by the Government:
- N1 This correspondence is of a miscellaneous character and appears to pertain chiefly to the function of the United States attorney in receiving and registering complaints of alleged violations of Federal law and of performing routine administrative duties. It is believed that the nature and contents of these records are of insufficient importance to warrant their continued preservation by the Government.
