OFFICE OF THE ASSISTANT SECRETARY FOR EMPLOYMENT STANDARDS

The Office of the Assistant Secretary for Employment Standards is responsible for administering programs which deal with a variety of Federal labor legislation designed to increase and protect low-wage incomes; prevent unfair competition in securing Federal construction and service contracts by employers who pay substandard wages; prevent curtailment of employment opportunities for students, trainees and handicapped workers; minimize losses of income and job rights caused by indebtedness; protect from discrimination workers who aid investigations into possible violations of environmental impact laws; safeguard the health, welfare and educational opportunities of young workers; and, protect the health and welfare of workers by discouraging excessively long hours of work.

2. Administers the Federal employee compensation program and the nonfederal employee compensation program established by the Longshoremen's and Harbor Workers' Compensation Act, as amended, and the Federal Coal Mine Health and Safety Act, as amended.

3. Directs a contract compliance program to achieve non-discrimination in employment by Government contractors and sub-contractors and in Federally-assisted construction programs.

4. Directs a program of farm labor contractor registration designed to protect the health, safety and welfare of migrant workers.

| 7. | <p>Correspondence Tracking System: A correspondence tracking and reporting system is used to control correspondence in the Assistant Secretary's Office. This is accomplished on a WYSE PC. As correspondence is received, certain information is entered into the system, i.e. correspondent's name, subject of letter, date received, date assigned, date due and signature level required. When the correspondence is answered, appropriate data is entered into the system to reflect final action. All correspondence receives a numerical control number which is automatically assigned by the system. The system supplies daily, weekly and monthly printouts which reflect data in the system. On a daily basis, a backup diskette is produced covering all daily activity. The diskette used for this is maintained in the Assistant Secretary's Priority Correspondence Control Unit. On a weekly basis, a backup tape is produced. This tape is maintained in ESA's Microcomputer Support Center. On an annual basis, one backup tape is produced.</p> <p>Disposition:</p> <ul style="list-style-type: none"> a. Printouts - Destroy when superseded or when no longer needed. b.
