They relate directly to efforts by the Department to revise, reorganize, and restructure existing Indian Trust Management practices and procedures. Include are legislative proposals and Congressional correspondence concerning Indian Trust Management Reform, as well as other correspondence, notes, reports, e-mails, meeting minutes, budget working files, and other files pertaining to various Departmental projects and initiatives. These projects and subprojects include, but are not limited to: the Trust Management Improvement Project (TMIP), High Level Implementation Plan (HLIP), OST and BIA data cleanup, Fractionated Heirship, Indian Land Consolidation, Historical Trust Accounting, Probate Backlog, and the Trust Management Improvement Steering Committee. Also included are copies of circulations of pleadings and correspondence between Department of Interior and Department of Justice officials concerning litigation that directly addresses Indian Trust Management, such as the <u>Cobell v. Norton</u> (formerly <u>Cobell v. Babbitt</u>) civil case.

These files are classified as Indian Fiduciary Trust (IFT) files.
