N1-104-97-2
Office of Public Affairs

1. VHS, BETA, and 3/4 inch video recordings, audio cassette tapes, and 16 mm film pertaining to a variety of U.S. Mint Coin Programs and Office of Public Affairs events. Records cover press conferences; contractor-produced clips for U.S. Mint commemorative coin, gold bullion coin and special medals programs; media out takes; and unedited footage of Mint activities or processes.

a) Pre-1997. Volume: 40 cubic feet (see attached inventory list).
Disposition: PERMANENT. Transfer to NARA upon approval of schedule.

NOTE: Video and audio recordings and/or related documentation accessioned by NARA that are found during archival processing to be fragmentary, duplicative, redundant, or otherwise lacking historical value will be offered for return to the U.S. Mint before being destroyed.

b) Post-1997.
Video recordings, audio recordings, and related records pertaining to U.S. Mint Coin Programs and other Office of Public Affairs events.

1) The original (or earliest generation master if original is not available) and one copy of the video recording or audio recording depicting or promoting agency programs [36 CFR 1228.184(c)&(d)].

Disposition: PERMANENT. Cut off at end of program. Transfer to NARA 1 year after end of program.

2) Scripts, production files, finding aids, or other records that bear upon the origin of video or audio recording. Also, any records relating to the Government's ownership of the recording such as those that document the existence of copyright or other proprietary rights that are legally enforceable in subsequent use. [36 nCFR 1228.184(e)]

Disposition: PERMANENT. Cut off at end of program. Transfer to NARA with corresponding video or audio recording.

NOTE: Video and audio recordings and/or related documentation accessioned by NARA that are found during archival processing to be fragmentary, duplicative, redundant, or otherwise lacking historical value will be offered for return to the U.S. Mint before being destroyed.
