	This schedule covers the National Evaluation of a Mileage-Based Road User Charge System (NEMBRUCS) maintained in the Federal Highway Administration (FHWA) Washington Headquarters Office of Policy and Governmental Affairs (HPL), Office of Transportation Policy Studies (HPTS). Data affiliated with NEMBRUCS contains sensitive and/or personal identifiable information and requires controlled access and handling to safeguard against a breach of information (<i>Privacy Act of 1974</i> and the <i>Federal Information Security Management Act of 2002</i>). See attached.		

	<p>National Evaluation of a Mileage-Based Road User Charge System (NEMBRUCS)</p> <p>The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) was enacted August 10, 2005, as Public Law 109-59. SAFETEA-LU authorizes the Federal surface transportation programs for highways, highway safety, and transit, and for other purposes for the 5 year period 2005-2009. Section 1919 of SAFETEA-LU called for the University of Iowa to conduct an analysis of highway vehicle mileage data to assess a mileage-based approach to collecting highway user fees. The study collects the data necessary to conduct the analysis from driver participants in twelve sites throughout the U.S over a two-year period NEMBRUCS supports the analysis of the highway vehicle mileage data collected.</p> <p>1. Inputs. Study participant personal information collected during the course of the study includes Name, Mailing Address, Phone Number, Date of Birth, Employment Status and E-mail Address. Other information collected over the course of the study includes Responses to Opinion Questionnaires, Vehicle Miles Traveled by Jurisdiction (State, county, locality). Information collected over the course of the study will be mapped to individual participants through use of randomly generated Participant ID Numbers, randomly generated Vehicle ID Numbers, and On Board Device ID Numbers. Study data collection will occur over two 12-month participant panels during the calendar years 2009 and 2010. These data will be collected and stored electronically.</p> <p>DISPOSITION: Temporary Delete when data have been entered into the master file or database and verified, or when no longer needed to support reconstruction of, or serve as backup to, the master file or database, whichever is later.</p> <p>Master files Identity-scrubbed participant responses to questionnaires administered over the course of the study will be stored on electronic media in the data format utilized by the study team for data analysis. On-board-computer-generated data records which include identity-scrubbed travel information collected by on-board computers will be stored on electronic media in the data format utilized by the study team for data analysis. The format in which the data are</p>	<p>New</p> <p>GRS 20, item 2c</p>
