Program: Veterans Benefit Administration (VBA),
Compensation and Pension Service (CPS)

Applicability: The system is maintained at the VA's
Information Technology Center in Austin, Texas but used
agency-wide

Specific Restrictions: BIRLS contains personally
identifiable information. All records in BIRLS are protected
from unauthorized access through appropriate
administrative, physical, and technical safeguards. The
safeguards include restricting access to those with a need-
to-know to perform their official duties, using permanent ID
and password.

Vital record: Yes

a. Inputs

The system receives information from induction centers,
DD214's (updating exit from the service), regional claims
offices, family members on occasion, and the Department
of Defense.

Disposition **TEMPORARY.** Destroy after the information
has been converted to an electronic medium and verified,
when no longer needed for legal or audit purposes or to
support the reconstruction of, or serve as a backup to, the
electronic records, whichever is later.
