	<p>Attached is a records control schedule for a group of Noncurrent Statements which are no longer created by the Board of Governors of the Federal Reserve System. They consist of various statistical releases and reports originating at the Board, Federal Reserve Banks, and, in a few cases, other organizations. Volume estimates for all items are listed in Column 9 and are expressed in linear inches. None of the items listed have been previously scheduled. Those items having long term administrative and operational value will be destroyed on-site when all reference needs for them have ended. All other items will be destroyed immediately upon approval by the Archivist.</p>	10 ACTION TAKEN
