This appendix describes and provides maintenance and disposition instructions for program records relating to the management of motor pool operations. Involved in this function is the establishment and disestablishment of motor pools; development of plans and procedures for motor pool and motor vehicles and equipment; determination of annual motor vehicle replacement requirements, including development of budget justifications and procurement specifications; conduct of motor pool and equipment operation studies and surveys; development of statistical data; and the performance of similar operations. Motor pool operation program records are created as a result of the responsibilities outlined in the GSA Organization Manual (OFA P 5440.1) and pursuant to the provisions of orders and handbooks in the 5600 subject classification series.

The original paper records for the program files described in this appendix may be converted to microform and the original paper records may be destroyed provided that the requirements and standards of the HB, GSA Micrographics Management Program, chs. 3-1 and 3 and 4-3 and 4 (OAD P 1882.1), are met.

50A1. Motor pool establishment files. Documents created in the establishment, modification, relocation, or discontinuance of interagency motor pools and motor pool facilities. Included are motor pool feasibility studies, authorizing determinations, exhibits, and amendments; copies of establishing orders; motor vehicle pool survey reports; continued operations studies and appraisals; coordinating actions; agency exemptions; vehicle assignments; special authorizations and determinations; and related records.

a. Files relating to motor pools established: Cut off annually following discontinuance of the motor pool hold 3 ee years, and retire to FRC. Destroy when 10 years old. However, current files should be reviewed annually and noncurrent or superseded documents and routine correspondence destroyed.

b. Files relating to disapproved motor pools: Cut off annually, destroy when 3 years old.

50A2 - 50A4. Reserved.

50A5. Dispatch vehicle study files. Documents created as a result of studies undertaken to determine the optimum vehicle requirements to meet dispatch demands of the motor pool. Included are records of filled and unfilled dispatch vehicle demand, cost-benefit analysis studies regarding vehicle dispatch service at airports, and related documents.

Cut off annually, destroy when 1 year old.

50A6 - 50A9. Reserved.

50A10. Vehicle and equipment acquisition files. Documents created in requesting, reviewing, approving, disapproving, or canceling requests for procurement of vehicles from commercial sources and from sources of excess, seized, and forfeited vehicles. Included are copies of invitations to bid; requisitions; purchase orders; invoices; receiving reports; unsatisfactory equipment reports; requests for certificates of origin; notifications concerning, and acceptances or rejections of, excess seized, or forfeited vehicles; documents concerning contracts, warranties, and mechanical failures; and related documents.

Cut off annually, destroy when 6 years old.

50A11 - 50A14. Reserved.

50A15. Vehicle transfer files. Documents created in the transfer of vehicles within the region, between regions, and from other agencies. Included are authorizations for transfer of property or similar documents, copies of vehicle transaction records, and related documents.

Cut off annually, destroy when 2 years old.

50A16 - 50A19. Reserved.

50A20. Vehicle disposal files. Documents created upon exchange/sale of a vehicle or its declaration as excess. Included are reports of personal property for sale or reports of excess personal property, as applicable; copies of vehicle transaction records; and related documents.

Place in inactive file upon disposal of vehicle, cut off annually, destroy when 2 years old.

50A21 - 50A24. Reserved.

50A25. Vehicle identification files. Documents created in the procurement and assignment of vehicle identification (license) tags. Included are requisitioning records, shipping instructions, receiving reports, and related documents.

Cut off annually, destroy 10 years from the date of disposal of vehicle.

50A26 - 50A29. Reserved.

50A30. Vehicle repair contract files. Documents created in arranging for and monitoring contracts (awarded by FPRS) for servicing and repairing motor vehicles. Included are copies of contracts, performance evaluation reports, and related documents.

Place in inactive file on termination of contract or on completion of contract by delivery and acceptance of all materials, property, or services. Cut off the inactive file at the end of the fiscal year, destroy when 2 years old.

50A31 - 50A34. Reserved.

50A35. Agreement files. Documents relating to agreements with cost-plus contractors, grantees, other Government agencies, commercial transportation enterprises, and other organizations for providing motor vehicle and related transportation supplies and services, normally on a reimbursable basis. Included are requests for, authorization of, certification concerning, and compliance reviews involving, cross-service or other agreements; copies of the agreements; and related documents.

Cut off the agreement annually when superseded canceled, or obsolete; destroy when 6 years old; except that agreements with other Government agencies may be destroyed after cutoff.
