	<u>DIVISION OF CONSTRUCTION</u>  <u>CONSTRUCTION SERVICES BRANCH</u>  1 <u>Equipment Records</u>  Construction Services Branch maintains records on all TVA construction equipment used by TVA construction forces. These records need to be retained for the life of the equipment.  Because TVA is participating in construction activities at an increasing number of sites and continually requires additional equipment, the volume of these records is steadily increasing.  We propose to microfilm these records on 16mm film in cartridge. As the equipment is retired, the microfilm will be destroyed.  For these reasons, we request the following retention periods:  <i>Copy to Agency 7-1-76</i> <i>4NC</i>
