

INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: NC1-142-80-12

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

Description:

Item 1 was technically not superseded by NC1-142-81-13, item 1, as the item had not changed when it appeared in the newer schedule. But NC1-142-81-13 was shown in the N1-142-10-001 crosswalk to be superseded in its entirety by GRS 3, item 3, which is now (2022) GRS 1.1, item 010 (DAA-GRS-2013-0003-0001). NC1-142-80-12, item 1, is therefore superseded by the GRS item.

Item 2 was superseded by NC1-142-81-13.

| 1. | <p align="center"><u>PROCUREMENT RECORDS FOR DESIGN BRANCH</u></p> <p>This records series falls into two categories, they are (1) Major Purchases for TVA chemical plant facilities design construction, or modification and (2) Minor Purchases for miscellaneous building materials, tools, small equipment, and office and reproduction shop supplies, and includes contracts, requisitions, test reports, specifications, bids, purchase requests, inspection reports, delivery requests, receiving reports, receiving summaries, manufacturers' drawing records, correspondence, and similar other procurement supporting data.</p> <p>A. <u>Major Purchases:</u> TVA chemical plant facilities design, construction, or modification of purchases. They are unique in nature as they represent facilities designed, constructed and used to carry out TVA's fertilizer technology development and demonstration program responsibilities. This information is needed when equipment breaks down, is modified, or moved to another location to be used for new fertilizer process development. It is essential that these records be available for reference when this occurs.</p> <p><u>Disposition:</u> A. Destroy ^{in sections} 3 FY's after facility is sold or otherwise disposed of.</p> <p><i>4NC, 4WCV, agency - 7/11/80</i></p> | <p align="right"><i>2 items</i></p> |
