	<p><u>Economic Analysis and Evaluation Data of Various Geographical Areas of the TVA Valley</u></p> <p>These data constitute economic evaluations and analyses of various geographical areas of the TVA region (7 Valley States-Tennessee, Kentucky, Mississippi, Alabama, Virginia, Georgia, and North Carolina). The data comprise all aspects of the economics of geographical areas in the TVA Valley: population, employment, industrial growth, production, distribution, and the management of resources.</p> <p>An example: Step 1 of a particular analysis may be to determine the manufacturing firms which are already established in an area and the raw materials they require for operation; Step 2 would be to determine whether there are sufficient suppliers of the required raw materials in the surveyed area; Step 3 would provide a list of manufacturing industries needed within the area of supply raw materials not already being produced.</p>

	<p>This data would be used in the recruitment of firms to locate in the TVA area, thus providing new jobs and increasing the population and the demand for electrical power in the Valley.</p> <p>Local municipal planners and developers use this information in recruiting new industries to the TVA Valley area. TVA power distributors use this information to determine the need for expanding their power loads to better accommodate their customers.</p> <p>The data is compiled from questionnaires and surveys transformed to computer magnetic tape. The tape is continuously updated to reflect current information. Requested information is retrieved on computer printouts.</p> <p>This series began in 1971, has an accumulation of 10 cubic feet, and is filed alphabetically by area. The following retentions are requested in order that valid growth patterns for the TVA Valley can be established.</p> <p>Disposition:</p> <ol style="list-style-type: none"><li>1. <u>Originals and Printouts</u>--Destroy in Agency 11 years after evaluation and analysis is complete.</li><li>2. <u>Magnetic Tape</u>--Destroy in Agency when project is discontinued.</li></ol>
