GAO Approval Not Required

Social Media (Hosted on Public Servers "Not Board")

Social Media are web-based applications that provide enhanced information sharing and collaboration by facilitating horizontal communication among multiple users. This schedule applies to the content maintained by Board on Recovery.gov and/or commercial social networking sites not hosted on Board servers.

Social Networking Sites

Disposition Authority Number DAA-0220-2014-0015-0010

Board has created accounts on commercial social networking sites in order to provide information to the public. These social networking sites include Facebook, YouTube, Flickr and Twitter. Individuals who visit Board account pages, or interact with these accounts, may be registered users of the social networking service. When interacting with a Board account, users are not required to provide any information to Board. Any information users may have provided to the social networking service, for which they have registered independently, is voluntarily contributed and is neither accessible nor maintained by the Board. *Note: Board does not manage the content on these public servers. Board content is created, saved, and then posted to these sites. This section applies to the content saved and maintained by Board staff in Board recordkeeping systems. Facebook Page (or similar) a. The profile and original content - The content will include the initial profile, any changes to the profile, and may include original material. b. Log of posted content Board - Staff will maintain a "log" or register that describes material
