## FEDERAL ENTITY CEASED OPERATIONS

Schedule Number: N1-220-92-004

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

## Description:

National Commission on Acquired Immune Deficiency Syndrome was Established by Public Law 100-607 on November 4, 1988, to promote development of a national policy on AIDS. The commission produced fifteen reports plus analytical or policy statements on a number of issues relating to AIDS. Terminated upon submission of final report, June 28, 1993, entitled AIDS: An Expanding Tragedy.

Date Reported: 06/22/2020

Copies out to agency, NN-W, NNS, NNT, NCF 9/4/95

3. Official Transcripts.

Official transcripts of all commission meetings and public hearings, including business meetings and executive sessions. Public hearings included testimony from political leaders, medical and public health officials, community representatives, and citizens. Arranged chronologically. Volume: 3-4 cubic feet.

<u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

4. Supplemental Hearing File.

File contains additional testimony heard at the hearings, briefing materials, and handouts. Arranged chronologically. Volume: 2-3 cubic feet.

<u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

5. Daybooks.

The Commission maintained a partial collection of daybooks from its various site visits. These books contain agendas, witness biographies, pertinent articles, and demographical material relating to the populations covered by the site visits. Arranged chronologically. Volume: ca. 1 cubic foot. Disposition: PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

6. Publications.

Copies of publications produced by the Commission, including all Interim Reports, the 1990 Annual Report to the President and the Congress, and the Commission Report "America Living with AIDS." Volume: ca. 3 inches.

<u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

7. General Correspondence File.

The staff filed all outgoing correspondence alphabetically by addressee or subject. Incoming files were filed alphabetically according to sender in a separate file. Volume: 1-2 cubic feet.

<u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

8. Subject File.

Correspondence, memoranda, reports, press releases and other documentation relating to all aspects of the HIV/AIDS crisis. <u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.

9. Audiovisual materials.
Videotapes, audiotapes, and other non-textual media documenting hearings and other official mission functions.

<u>Disposition:</u> PERMANENT. Retire to WNRC upon approval of this schedule. Transfer to the National Archives upon termination of the Commission.
