Schedule Number: N1-220-95-008

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

Description:

On October 28, 1986, Congress authorized the American Battle Monuments Commission to establish a memorial in Washington, D.C., to honor members of the U.S. armed forces who served in the Korean War through Public Law 99-572 (100 Stat. 3226). The Korean War Veterans Memorial Advisory Board (KWVMAB), also establised by Public Law 99-572, was composed of twelve veterans who served in the Korean War and were appointed by President Ronald Reagan to recommend a site and design, and to raise construction funds. Ground was broken in November 1993. On July 27, 1995, the 42nd anniversary of the armistice that ended the Korean War, the memorial was dedicated. The Board concluded its work in September 1995.

	RECORDS of the KOREAN WAR VETERANS MEMORIAL ADVISORY BOARD, 1986-1995		
	On October 28, 1986, Congress enacted Public Law 99-572, which authorized the American Battle Monuments Commission to erect on Federal land in the District of Columbia and its environs a memorial to honor members of the Armed Forces of the United States who served in the Korean War. Funds for the memorial, with the exception of a \$500,000 appropriation for site preparation, design, planning and associated administrative costs and \$500,000 for construction, were to be derived entirely from private contributions. In accordance with the Act, the Korean War Veterans Memorial Advisory Board was established to select a design and site for the memorial, and to oversee fundraising activities. The Board consisted of twelve veterans of the Korean War appointed by the President. The memorial was officially dedicated on July 27, 1995 with a formal ceremony. The Korean War Veterans Memorial Advisory Board terminated its business several months later. (See attached sheets)
