# **EPA Records Schedule 361**

Status: Final, 02/29/2008

Title: Scientific Data Reviews

Program: Pesticides

Applicability: Headquarters

Function: 108-025-06-01 - Ensure Safe Use of Pesticides

## NARA Disposal Authority:

This schedule authorizes the disposition of the record copy in any media (media neutral), excluding any records already in electronic form. Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer.

N1-412-07-46

# **Description:**

Records consist of reviews of scientific data to determine the potential hazards of pesticide chemicals. Data may pertain to toxicology, residue chemistry, ecological effects, exposure assessment, etc.

### **Disposition Instructions:**

Item a(1): Record copy - Nonelectronic

- Permanent
- Close inactive records upon completion of review.
- Transfer to the National Archives 20 years after file closure. If record is microform, destroy paper after quality assurance is completed.

# Item a(2): Record copy - Electronic

- Permanent
- Close inactive records upon completion of review.

• Transfer to the National Archives 5 years after file closure, with any related documentation and external finding aids, as specified in 36 CFR 1228.270 or standards applicable at the time.

Item a(3): Electronic copy of records transferred to the National Archives

- Disposable
- Close file upon transfer to the National Archives.
- Delete after electronic record copy is successfully transferred to the National Archives.

#### Guidance:

Toxicology reviews are available from OPP Information Services Center, Document Services Area.

Microform copies are to be produced in accordance with the standards in 36 CFR 1230.10 and 1230.20.

Records containing sensitive information must be shredded or otherwise definitively destroyed to protect confidentiality.

### Reasons for Disposition:

The disposition instructions have been rewritten to allow for maintaining the record copy in EPA's electronic recordkeeping system. The retention is unchanged.

The following changes were made in the 02/29/2008 version:

- Divided item a into three subitems, a(1)-(3).
- Revised the titles of disposition items a(1)-(3).
- Revised the disposition instruction for item a(3).

The following disposition items were changed in the 12/20/2006 version:

- Item a Paper records changed to Record copy.
- Item b Office microform copies deleted as nonrecords.
- Item c Permanent microform copy deleted and combined with item a.

Item d for electronic copies created with word processing and electronic mail applications deleted 08/18/2006 pursuant to NARA Bulletin 2006-04.
