### **NARA Disposal Authority:**

This schedule authorizes the disposition of the record copy in any media (media neutral). Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer.

- Pending

### **Description:**

Records consist of correspondence, transfer agreements, affirmation documents, and other supporting documentation that document the transfer/ownership of companies, products, and data.

### **Disposition Instructions:**

#### **Item a: Record copy**

- Disposable
- Close inactive records at end of calendar year. Destroy 20 years after file closure. If microformed, destroy paper after quality assurance completed.

### **Guidance:**

Microform copies are to be produced in accordance with standards in 36 CFR 1230.10 and 1230.20.

### **Reasons for Disposition:**

The disposition instructions have been rewritten as media neutral to allow for maintaining the record copy in EPA's electronic recordkeeping system. Item b for microfilm records was deleted and combined with item a. The retention is unchanged.
