NARA accepts FOIA requests for the executive branch agency records in its legal custody. That includes the operational records that NARA creates while conducting government business and the accessioned archival records that NARA receives and maintains from all executive branch agencies as the National Archives of the United States. NARA also accepts FOIA requests for Presidential and Vice Presidential records subject to the provisions of the Presidential Records Act. For general questions on the FOIA or on a specific request, you may call NARA's FOIA hotline at 301-837-3642.

FOR PRESIDENTIAL RECORDS SUBJECT TO FOIA

Pursuant to the Presidential Records Act of 1978 (PRA), the records of each former President, beginning with President Reagan, become subject to the provisions of the FOIA five years after the President leaves office. The incumbent or former President may continue to invoke specific restrictions for up to twelve years, after which only statutory FOIA restrictions may be applied (except that FOIA exemption (b)(5) does not apply to PRA records; however, either the former President or the incumbent President may assert executive privilege). FOIA requests for Presidential records should be mailed to the attention of the Director of the Presidential library in which the records are located.

The Presidential materials at pre-PRA Presidential libraries (Hoover through Carter) are donated collections (except that the Nixon materials are subject to a special statute) and are not subject to FOIA, but each of them have small collections of executive branch agency records that are subject to the FOIA. Addresses of the

Presidential Libraries are posted on our website at www.archives.gov/presidential-libraries/index.html.

FOR ALL OTHER RECORDS

Judicial records, records of the Congress and legislative branch agencies, donated historical materials, and Nixon Presidential Historical Materials are not subject to the FOIA.

In addition, NARA cannot respond to FOIA requests for records that are in our physical but not legal custody, such as the records of executive branch agencies stored at a NARA Federal Records Center. FOIA requests for record center holdings remain the responsibility of the originating agency.

We have published a FOIA Reference Guide that describes the procedures for making FOIA requests to NARA. The Guide can be viewed at www.archives.gov/foia/foia-guide.html. Additional procedural information can be found in our implementing regulations at 36 CFR Part 1250 and 1254 through 1260.

B. Brief description of why some requests are not granted and an overview of certain general categories of the agency's records to which the FOIA exemptions apply.

NARA accepts FOIA requests for all executive branch records in its legal custody, including our own operational records and the historical records NARA maintains as the National Archives of the U.S. government. NARA asserts the privacy exemption more than the rest of the exemptions to protect the privacy of individuals referenced in records among our holdings. NARA also uses Exemption (b)(1), as directed by equity holding agencies, to withhold information the release of which would harm the national security of the United States. Other reasons for not granting requests are outlined in Section V, B of this report.

III. Acronyms, Definitions, and Exemptions

A. Agency specific acronyms or other terms

NARA - National Archives and Records Administration.

Operational records – records that NARA creates or receives in carrying out its mission and responsibility as an executive branch agency.

Archival records – permanent records of the United States government that have been transferred to the legal and physical custody of the National Archives of the United States and the Presidential Libraries.

B. Basic terms, expressed in common terminology

a. Administrative Appeal – a request to a federal agency asking that it review at a higher administrative level a full denial or partial denial of access to records under the Freedom of Information Act, or any other FOIA determination such as a matter pertaining to fees.

b. Average number – the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.

c. Backlog – the number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time period for a response.

d. Component – for agencies that process requests on a decentralized basis, a “component” is an entity, also sometimes referred to as an Office, Division, Bureau, Center, or Directorate, within the agency that processes FOIA requests. The FOIA now requires that agencies include in their Annual FOIA Report data for both the agency overall and for each principal component of the agency.

e. Consultation – the procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester.

f. Exemption 3 statute – a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).

g. FOIA/PA request – Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as

FOIA requests. (All requests for access to records under these two statutes are included in this report. This report does not account for requests for archival records that do not cite the FOIA or Privacy Act.)

h. **Full Grant** – an agency decision to disclose all records in full in response to a FOIA request.

i. **Full Denial** – an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).

j. **Median number** – the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.

k. **Multi-track processing** – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first out basis. A requester who has an urgent need for records may request expedited processing (see below).

i. **Expedited processing** – an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.

ii. **Simple request** – a FOIA request that an agency using multi-track processing places in its fastest (non expedited) track based on the volume and/or simplicity of records requested.

iii. **Complex request** – a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.

l. **Partial grant/Partial Denial** – an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entireties, but to withhold others in whole or in part.

m. **Pending Request or Pending Administrative Appeal** – a request or administrative appeal for which an agency has not taken final action in all requests.

- n. **"Perfectured" request** – a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
- o. **Processed Request or Processed Administrative Appeal** – a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
- p. **Range in Number of Days** – the lowest and highest number of days to process requests or administrative appeals.
- q. **Time limits** – the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfectured" FOIA request).

C. **The Nine FOIA Exemptions**

- a. **Exemption 1:** classified national defense and foreign relations information
- b. **Exemption 2:** internal agency rules and practices
- c. **Exemption 3:** information that is prohibited from disclosure by another federal law
